

Southside Church

Global Heart. Local Heartbeat.

Op Shop Manager/Community Worker Job Opportunity

Part Time: 3 days/week

We are seeking a talented store manager and experienced community worker for Southside Care's community hub and op shop. The successful applicant must love caring for people through the creation of a retail space which provides for practical, conversational and community needs.

Primary Responsibilities:

- Leading, growing and developing a team of paid employees and volunteers;
- Ensuring extraordinary customer service is provided in every interaction;
- Embedding exceptional operational and visual merchandise standards;
- Evoking an atmosphere of kindness and compassion;
- Managing the financial performance of the store;
- Planning and facilitating community services & events through the store.

Other Responsibilities:

Work collaboratively with Southside Church's pastoral staff and Leadership Team to support the ministry of Southside Care while maintaining an attitude of servanthood.

Professional Qualifications:

We are seeking someone with experience in both retail and social work for this unique position. Community work/ministry training is preferable (ideally a minimum of Diploma level qualification).

Skill Requirements:

Leadership, organisation, financial management, general computer/technology skills and a heart for people.

Commitments:

Wholeheartedly subscribe to the Statement of Faith of Southside Church with a strong commitment to serve the local community.

If you are a self-motivated, compassionate and experienced community worker/store manager who is committed to serving the local community and making a difference in the lives of others, we encourage you to apply for this position.
